LIBRARIES.

AN ACT to authorize cities, incorporated towns and townships to establish and maintain free public libraries and reading rooms. [Approved and in force March 7, 1872. L. 1871-2, p. 609.]

1. ESTABLISHMENT BY CITY—TAX—FUND.] Sec. 1. *Be it enacted by the people of the State of Illinois, represented in the General Assembly,* That the city council of each incorporated city shall have power to establish and maintain a public library and reading room for the use and benefit of the inhabitants of such city, and may levy a tax of not to exceed one mill on the dollar, annually, and in cities of over one hundred thousand inhabitants, not to exceed one-fifth of one mill annually on all the taxable property in the city, such tax to be levied and collected in like manner with other general taxes of said city, and to be known as the "Library Fund."

2. DIRECTORS.] Sec. 2. When any city council shall have decided to establish and maintain a public library and reading room, under this act, the mayor of such city shall, with the approval of the city council, proceed to appoint a board of nine directors, for the same, chosen from the citizens at large with reference to their fitness for such office; and not more than one member of the city council shall be at any one time a member of said board.

3. TERM OF OFFICE—REMOVAL.] Sec. 3. Said directors shall hold office one-third for one year, one-third for two years, and one-third for three years, from the first of July following their appointment, and at their first regular meeting shall cast lots for the respective terms; and annually thereafter the mayor shall, before the first of July of each year, appoint as before three directors, to take the place of the retiring directors, who shall hold office for three years, and until their successors are appointed. The mayor may, by and with the consent of the city council, remove any director for misconduct or neglect of duty.

4. VACANCIES—COMPENSATION.] Sec. 4. Vacancies in the board of directors occasioned by removals, resignation or otherwise, shall be reported to the city council, and be filled in like manner as original appointments, and no director shall receive compensation as such.

5. ORGANIZATION—POWERS OF DIRECTORS—FUNDS.] Sec. 5. Said directors shall, immediately after appointment, meet and organize by the election of one of their number president, and by the election of such other officers as they may deem necessary. They shall make and adopt such by-laws, rules and regulations for their own guidance and for the government of the library and reading-room as may be expedient, not inconsistent with this act. They shall have the exclusive control of the expenditure of all moneys collected to the credit of the library fund, and of the construction of any library building, and of the supervision, care and custody of the grounds, rooms or buildings constructed, leased or set apart for that purpose: *Provided*, that all moneys received for such library shall be deposited in the treasury of said city to the credit of the library fund, and shall be kept separate and apart from other moneys of such city, and drawn upon by the proper officers of said city, upon the properly authenticated vouchers of the library board. Said board shall have power to purchase or lease grounds to occupy, lease or erect an appropriate building or buildings for the use of said library; shall have power to appoint a suitable librarian and necessary assistants, and fix their compensation, and shall also have power to remove such appointees; and shall, in general, carry out the spirit and intent of this act, in establishing and maintaining a public library and reading-room.

6. WHO MAY USE LIBRARY.] Sec. 6. Every library and reading-room, established under this act, shall be forever free for the use of the inhabitants of the city where located, always subject to such reasonable rules and regulations as the library board may adopt, in order to render the use of said library and reading-room of the greatest benefit to the greatest number; and said board may exclude from the use of said library and reading-room any and all persons who shall willfully violate such rules. And said board may extend the privileges and use of such library and reading-room to persons residing outside of such city in this state, upon such terms and conditions as said board may from time to time by its regulations prescribe. [As amended by act approved March 27, 1874; in force July 1, 1874.]

7. REPORT OF DIRECTORS.] Sec. 7. The said board of directors shall make, on or before the second Monday of June, an annual report to the city council, stating the condition of their trust on the first day of June of that year, the various sums of money received from the library fund and from other sources, and how such moneys have been expended, and for what purposes; the number of books and periodicals on hand, the number added by purchase, gift or otherwise, during the year; the number lost or missing; the number of visitors attending; the number of books loaned out, and the general character and kind of such books; with such other statistics, information and suggestions as they may deem of general interest. All such portions of said report as relate to the receipt and expenditure of money, as well as the number of books on hand, lost or missing, and books purchased, shall be verified by affidavit.

8. PENALTIES.] Sec. 8. The city council of said city shall have power to pass ordinances imposing suitable penalties for the punishment of persons committing injury upon such library or the grounds or other property thereof, and for injury to or failure to return any book belonging to such library.

9. DONATIONS.] Sec. 9. Any person desiring to make donations of

money, personal property or real estate for the benefit of said library, shall have the right to vest the title to the money or real estate so donated in the board of directors created under this act to be held and controlled by such board, when accepted, according to the terms of the deed, gift, devise or bequest of such property; and as to such property the said board shall be held and considered to be special trustees.

Turning down the leaves of books is to be specially avoided.

It shall be the duty of the Librarian to collect all fines and other charges.

ARTICLE 7.—When a book comes in overdue, and the fines are unpaid, the card shall be retained by the Librarian, and no other book issued on such card till fines are paid.

ARTICLE 8.—When a card comes in that is wrongfully held by the party presenting it, the Librarian shall take it up.
